Reference your BE5/27(33) of 23rd April 1964.

2. Thank you for giving us so much advance notice of the employment of on non-Strategic tasks in late 1964. It is believed that we will be able to reallocate important tasks to other intercept stations so that national intelligence requirements will be met.

3. Your para 5 is noted. It is confirmed that we shall always be able - and in fact will be very happy - to use profitably the resources of if and when you feel able to make them available for tasking on Strategic targets.
