~~SECRET CHUTE.~~

YOUR 130255. PARA. 1 NOTED. AGREE YOUR PARAS. 2 AND 3 .

2. APPROPRIATE FUTURE ACTION IS OBVIOUSLY ON LINES OF YOUR PARA.

5. I HAVE NO STRONG VIEW AS TO WHEN OR FOR HOW LONG FUTURE RECCES SHOULD TAKE PLACE BEYOND THINKING THAT DURATION OF EACH RECCE SHOULD NOT EXCEED ONE MONTH. SOMETHING LIKE ONE MONTH IN EVERY FOUR IS PROBABLY NEAR THE MARK. HOWEVER CONSIDER YOU ARE BETTER QUALIFIED TO DECIDE THOSE POINTS PARTICULARLY IF AND WHEN COLLATERAL REPORTS REVIVE THE ISSUE.

3. AM NOT YET IN A POSITION TO PROVIDE DETAILED COMMENTS ON G.S. FROM [REDACTED] BUT IN SPITE OF THE FACT THAT THEY HAVE FOUND SOME HITHERTO UNKNOWN TARGET COUNTRY TRANSMISSIONS I FEEL THAT WE WILL REACH CONCLUSION THAT IT WOULD BE UNECONOMICAL TO MAINTAIN [REDACTED] AT SOME SITE IN THE FEDERATION FOR G.S. PURPOSES ALONE OR IN FACT FOR ANY PURPOSE OTHER THAN ACTUAL SEARCH FOR MCP LINKS. MAINTAINANCE OF A DETACHMENT SUCH AS THIS G.S. ALONE FALLS WELL WITHIN THE LUXURY CLASS.
